The Jannali High School is a comprehensive, co-educational high school with a record of fostering academic excellence in a supportive environment.

Many parents who live out of area have requested enrolment for their child at the school. We will endeavour to cater for all of these requests. However, like any school, there is a maximum number we can accommodate.

In order for us to allow for students from locations out of area (or students from private schools), we ask you to take a few minutes to fill in some information on your child. This information will help in the placement of your child. A placement committee will make decisions on out of area applications. This information, whilst purely voluntary, would be very useful to support this process.

All applications are expected to directly address the 'Enrolment Criteria' published on pages 2-3 of the school's Enrolment Policy available on the TJHS website.
