## **University Admissions Centre**

#### **HOW TO APPLY FOR UNI**

On 5 April, UAC will email UAC PINs to all NSW and ACT Year 12 students. You'll need this PIN to apply through UAC and to view your ATAR at the end of the year. Keep it in a safe and secure place and don't give it to anyone else.

When you apply through UAC, you'll need to enter your **Unique Student Identifier (USI)**. Your USI is your lifelong education number and all

higher education students must have one. You can't get a HECS-HELP loan without it. If you're studying a VET course you might already have one. Click <a href="here">here</a> to apply for your USI or check if you have one.

Some degrees for example medicine and law, have additional selection criteria. Be sure to check with the relevant institution.

#### What you need to do

Click <u>here</u> for an 8 step process in getting from year 12 to enrolling in uni.

#### **Applying For Uni Through UAC**

Applications for semester 1, 2024 open at 9am on Wed 5 Apr 2023. An early bird application fee of approximately \$80 applies until 30<sup>th</sup> September. This cost then rises to \$200. This six month window allows students to create an application which allows UAC to offer them a place at university.

Click <u>here</u> for a step-by-step guide on how to create a university application through UAC where you can list preferences.

The UAC portal also allows students to apply for the Educational Access Scheme, School Recommendation Scheme and Equity Scholarships. See below for more information.

#### **Educational Access Scheme**

The Educational Access Scheme (EAS) aims to help students who have experienced significant educational disadvantage receive an offer to university. To apply for EAS you must be able to demonstrate that, as a result of circumstances beyond your control or choosing, your studies were negatively affected during Year 11 and/or Year 12. Participating institutions may award ATAR adjustment factors based on the assessment of the disadvantage. Categories of disadvantage include:

- Disrupted schooling
- · Financial hardship
- · Severe family disruption
- Excessive family responsibilities
- English Language disabilities

- · Personal Illness/disability
- · Refugee status
- School environment
- · Socio-economic indexes for areas

Proof of disadvantage is required. Applications that require an Educational Impact Statement must be brought to the Careers Office for processing. Click <a href="here">here</a> for more information on EAS.

#### **School Recommendation Scheme**

SRS is an early offer program administered by UAC for Year 12 students. They do this by using criteria other than (or in addition to) the ATAR. All Year 12 students are eligible to apply. 14 institutions offer early admission via SRS and each assess on different criteria. Click <a href="here">here</a> for more information on participating institutions and how to apply.

#### **Equity Scholarships**

Equity Scholarships are awarded to students from low socio-economic backgrounds, particularly those who receive Centrelink income support payments such as ABSTUDY, Austudy, Youth Allowance, JobSeeker Payment, Disability Support Pension, Parenting Payment (Single) or the Carer Payment.

You can apply for an Equity Scholarship if applying for admission to a UAC participating institution:

- · through UAC for undergraduate or
- directly to an institution
   Click <u>here</u> for more information on Equity
   Scholarships.
