SizeGUIDE...

The following guide has been put together to help you & your customers select the right size. The Midford size guide should be used as just that – a guide. Please be aware that the below measurements indicate the size of the child, not the garment. Garments will vary according to the size & fit of the particular garment. If you have a query relating to the size of a certain style, simply call our Customer Service team who have been well trained on our sizing in general & on individual garments in particular.
